Stay current with New York Sea Grant's news, events and initiatives via www.nyseagrnt.org as well as our social media pages.

New York Sea Grant (NYSG) is a statewide network of integrated research, education, and extension services promoting the coastal economic vitality, environmental sustainability and citizen awareness about the State's marine and Great Lakes resources. NYSG, one of 32 university-based programs under the National Sea Grant College Program of the National Oceanic and Atmospheric Administration (NOAA), is a cooperative program of the State University of New York and Cornell University.

1. Blue Mussel (*Mytilus edulis*)
2. Atlantic Menhaden (*Brevoortia tyrannus*)
